

EverlastIT GDPR Compliance Commitment

We are committed to staying compliant with the General Data Protection Regulation (GDPR) for the sake of our customers, partners, and staff. Personally identifiable information that belongs to EU citizens is subject to rules, restrictions, and limitations stated in GDPR dated May 25, 2018.

Important note. Our software development and infrastructure optimization departments have worked with projects requiring full GDPR compliance, and if you need help with any personal data to be properly collected, modified, stored, and processed, please let us know.

Data Processing Documentation

Under the terms of GDPR, EverlastIT is a Data Processor. In case you are a Data Controller according to the official GDPR terminology, our legal department is ready to provide written consent for the processing of any personal data of individuals from the European Union and European Economic Area. We are also ready to provide our [Data Processing Addendum \(DPA\)](#)

upon your request. Please notify our management via info@everlastit.com to get help.

Privacy Policy

For your convenience, our Privacy Policy is available on our website. If you have any questions or concerns related to this document, please let us know via info@everlastit.com.

Cookie Usage

Our website uses cookies to help us define your core interests and make you relevant service offerings. The “Accept” button on our pop-up notification will enable you to accept cookies.

Marketing Communications

To get information on our recent blog posts, hottest discounts, and newest services, you can subscribe to the EverlastIT Newsletter. You can unsubscribe at any time. If you

want to make sure that your data has been amended or deleted, please contact us via info@everlastit.com.

We appreciate your collaboration and openness with regard to any legal issues!Team EverlastIT
